Exam #2, 7–8:30 p.m., Thursday, November 19, room to be assigned.
Final Exam, 2–5 p.m., Friday, December 18, room to be assigned.

Grading:

- 5% quizzes
- 10% homework
- 25% exam #1
- 25% exam #2
- 35% final exam

- There is a recitation each Tuesday. This is a required part of the course.
- Homework will be collected and discussed during the recitations. Also, a short quiz will be given.
- Except for medical situations, late homework will not be accepted, and there will be no make-ups for missed quizzes.
- The final grade is primarily based on the average as computed above. Letter grades are not calculated for individual exams or quizzes or homework.
- Periodically check the course web page (above) for homework assignments and other announcements.
- If you send e-mail, please include “(Math 180)” somewhere on the subject line. Without this, the message may be swallowed by anti-spam filters.
